

ŘEZ M 1:50

-
- Technical drawing of a stepped profile (likely a roof or a structural element) showing dimensions and labels. The profile consists of several segments:
- The top horizontal segment has a length of 600.
 - The first sloped segment has a length of 2395.
 - The second horizontal segment has a length of 3080.
 - The third sloped segment has a length of 3080.
 - The fourth horizontal segment has a length of 3080.
 - The fifth sloped segment has a length of 3765.
- Each sloped segment is labeled "JEN MADLO". The drawing includes dimension lines and tick marks indicating the lengths of the segments.
